

# T-20 Cricket Commentary Script

## Spoken English Practice Guide (Beginner to Advanced)

Created for English learners who want to improve fluency, confidence, and sentence flow using cricket commentary

---

### How This Guide Helps You Improve Spoken English

Cricket commentary is one of the **best tools** for learning spoken English because:

- Sentences are short and clear
- Vocabulary is practical and repetitive
- Emotion improves memory
- Real-time speaking builds fluency

T20 cricket, especially, uses **fast, simple, expressive English**, which is perfect for learners.

### How to Use This Guide Correctly

1. Read aloud, not silently
2. Speak slowly and clearly
3. Focus on sentence structure, not speed
4. Practice daily for 10–15 minutes
5. Record your voice whenever possible
